Executive Director Update

NM TRIBAL WI-FI HOTSPOT PROGRAM

NAVA Education Project in partnership with SFIS & ITDRC want to provide Tribal communities with **FREE Wi-Fi Hotspots** to extend existing networks to a wider range to allow more community members to access the internet.

INCREASED ACCESS BENEFITS COMMUNITY TRIBE & MEMBERS

- ❖ CENSUS – respond easily online to ensure a complete and accurate count
- ❖ Absentee Ballot registration, Tele-education, language programs, SNAP
- ❖ Contactless Tele-health, small business, unemployment, support services

Fill out the online application or email the paper version by **June 15th Deadline**
<https://www.navaeducationproject.org/covd19-hotspot-application>

For more information call: 505-246-1819
